Dear Partnership Universities and Institutions,

Warm greetings from National Kaohsiung University of Science and Technology (NKUST)! Our university was established on February 1, 2018 by the merger of three universities: National Kaohsiung University of Applied Sciences (NKUAS), National Kaohsiung First University of Science and Technology (NKFUST), and National Kaohsiung Marine University (NKMU), now becoming National Kaohsiung University of Science and Technology (NKUST).

This is Pei-Hsin Tien (Penny); please feel free to call me Penny. I am the assistance of Section of Student Exchange, who is in charge of incoming student exchange affairs.

The NKUST Fall 2020 student exchange program is available to apply from today 17th of Feb. 2020 to 10th of May. 2020. The attachments are the Factsheet of exchange program and the application file.

The factsheet contains all the required information for the exchange program, which includes links of the course list, colleges with departments and dormitory list; along with the QR code of our official pages and useful information to students.

I look forward to the nomination from you. Please do not hesitate to contact me if there is any question, and I wish you all the best!

Kind regards,
Penny
